v. AVX CORPORATION, et al.
Defendants

Court File No. 1272/16 CP

Both actions are certified for settlement purposes. The proposed notices + notice plan are approved.

These settlements are on substantially the same footing as earlier settlements in each action where certification for settlement purposes was ordered. There is no need to repeat the analysis which applies equally here. Likewise, the notices + notice plan is substantially similar to that approved for earlier settlements. There is no reason to deviate from that approach.
